

JobTeaser

– Showcase Your Talent to the World

JobTeaser is your gateway to various career opportunities. JobTeaser has hundreds of jobs on offer in Finland and thousands of opportunities all around Europe. Companies and different organisations are looking for international professionals like you.

JobTeaser:

- Helps you find exciting places to work or do an internship
- Helps you improve your Finnish language
- Offers career guidance and events

JobTeaser is a career portal that will guide you through all stages of finding a job. It is your portal to available jobs and internship positions that provides you with dozens of tips and various materials that help you get started with your career.

JobTeaser helps you find your way into the job market

Through JobTeaser, you have access to jobs and internships specifically targeted to students and recent graduates. You will also find various materials, tips, and events that will help you develop your career skills, boost your Finnish language skills, and build professional networks.

In addition, you can explore the profiles of organisations that interest you, tailored for students.

How to use JobTeaser?

You can use JobTeaser in the app or via the website.

1. Go to metropolia.jobteaser.com or download the JobTeaser app
2. Check JobTeaser's Terms of Use and Privacy Policy
3. Create an account with your metropolia.fi e-mail address
4. Define your search criteria and set job and event alerts
5. Create your profile in the upcoming days. Make sure to include:
 - A concise description of your key strengths
 - Language skills
 - Education and work experience
 - Your CV and social media profiles
6. Publish your profile - you are ready to be found by employers!

Remember also to explore other content on JobTeaser and take advantage of the tips and events that will help you further in your search for your dream job or internship.

You can continue using JobTeaser after graduation as an alumnus.

”

I got great tips on writing a resume and a job application. First, I scored an internship, and now I've got a job.

Exclusive offers for Metropolia students, career tips, and more!

JobTeaser has both public and private content. As a Metropolia student, you will have exclusive access to organisations posting jobs and setting up profiles in Metropolia's portal. You will also find career tips by JobTeaser's HR specialists and information about different events, as well as a lot of support materials that will help you navigate the Finnish job market. In addition, you have access to thousands of jobs and events posted by other employers using JobTeaser all around Finland and Europe. JobTeaser is used by several other higher education institutions, and their students, in Finland.

Talent Bank – let the employers find you!

Talent Bank is where employers can search for candidates with search words and set criteria to find your profile. Upload your CV to Talent Bank so that companies can find you.

Increase your career opportunities and learn Finnish

JobTeaser has various materials from career-building to events and even Finnish language studies for those who want to boost their language skills. Through JobTeaser, you can find information about the national and international job markets, how to apply for a job and build your career in Finland or abroad.

Finnish language studies on offer will help you to get a grip on the Finnish vocabulary needed for working life, help you prepare for the National Certificate of Language Proficiency (YKI) test, and polish your Finnish skills all the way up to an advanced level. All the materials available in JobTeaser will get you one step closer to your desired career path.
