1896 -1958

Medical Historians' Society (from 1953)

The first Cancer Hospital of Latvia

Riga 2nd Medical School (1939)

A photograph of the Rīgas Stradiņa University building, a large, multi-story structure with a modern architectural style. The building is surrounded by lush green trees and a well-maintained lawn. A paved walkway leads towards the entrance, where several people are walking. In the foreground, a sign reads "RĪGAS STRADIŅA UNIVERSITĀTE". The overall atmosphere is bright and inviting, suggesting a high-quality educational environment.

Environment that inspires for better results

ART THERAPY

Professor **Aivars Vētra**, Dean of the Faculty of Rehabilitation

"From the perspective of rehabilitation, the type of illness or ailment is not the most important. The most important thing is to give people the opportunity through various means to participate in social life and work."

Department of Social Work

- Students at:

- Bachelor
- Master levels
- Doctoral

Who are our students?

First of all optimistic people

because

Social Work is profession of optimists, people of action and profession with many challenges wich contributes human values in the society and puts human at the top of value pyramid

A photograph of a university courtyard. In the foreground, a bicycle is parked on a paved area, with its rear wheel and a black mesh basket on the back rack visible. The courtyard is paved with light-colored bricks. In the background, there is a large, modern building with many windows. A few people can be seen walking in the distance. The overall scene is bright and sunny.
