

IPW 2013

Poster session

Friday 17th May

Information

Each group of students will present a poster as a team at the closing session on Friday (see programme below). The poster itself allows participants to highlight the key findings and outcomes of their IPW course/case study. The presentation of the poster gives all group members a perfect opportunity to answer questions and provide further details. Everyone will also have a chance to see what others have been doing during the week. Students will have a short information session on Monday 13th (during the IPW Kick Off) about how to prepare and give a poster presentation. Each group of students will also receive an information pack for poster presentation with ideas and useful internet links.

The groups work on their poster on Thursday afternoon, the lecturer of the group can take part if needed. On Thursday afternoon we will provide each group with their blank Metropolia poster, a copy card for colour printing and any other material they need. Students design and build their poster and mount it on a flipchart stand provided in the gym ready for the Friday morning session.

In Friday's final event, everyone is present in the gym where all posters are on display as at a conference or professional poster event. A live Twitter feed and feedback collected will be beamed during the event (#EthicsIPW2013). The groups will evaluate the posters of other groups using an e-form on iPad. All students should be present on Friday for the whole event.

The final poster presentation session on Friday 17th May runs as follows:

09.30 Opening of the event, iPads distributed, Twitter feed and wall opened #EthicsIPW2013
